Dear Peter,

We are writing to tell you how pleased we are with our new paver installation. It has really transformed our pool area into a "summer resort". Many of our friends and neighbors have commented on what a difference it has made and are considering their own transformaitons. That only enhances the pleasure we enjoy of our "new" entertainment area.

I would also like to add that your crew of Junior, Marco and mechanics were very professional, courtiuous and competent. Everything worked out and was on schedule. Please extend our "Obrigado" to them.

Sincerely,

Charles D. Hill
